

ST. JOSEPH HIGH SCHOOL

ANNUAL REPORT 2019-2020

Our Mission

St. Joseph High School is a Catholic, Christian educational community formed in the Lasallian tradition whose MISSION is to provide a Christian education for young women and men of diverse economic and cultural backgrounds. We inspire these young women and men to discover their God-given talents, empower them to be lifelong learners and challenge them to achieve their potential as compassionate women and men of faith.

*'Live Jesus in Our Hearts...
Forever!'*

St. Joseph High School

A Lasallian school Sponsored by the Christian Brothers

stjoeshs.org

Message from the Principal & Chief Administrator

Dear Alumni, Friends & Benefactors of St. Joseph High School,

I want to use this opportunity to express my gratitude to you, the many supporters of our St. Joseph mission, and at the same time, report to you the progress and achievements we made this past year.

As you are probably aware, last September the Christian Brothers presented our Board of Directors with a fundraising campaign goal of raising one million dollars by December 1, 2019. We are beyond grateful that our alumni and friends from across the nation rallied to reach this ever important Brother's Challenge fundraising goal.

I would be remiss if I did not recognize key members who played a vital role in making the Brother's Challenge goal a reality for our school. A special thank you to board members Diane Guido Berner IHM '70, Mark Polivka '70, Paul Remack '67, John Vosicky '66 and our Director of Development Bob Stapleton '70. These dedicated individuals, known as the Champions of the Four Financial Pillars, are working tirelessly to ensure the mission of St. Joseph High School continues. You will read more about these members on page six of the Annual Report.

Just over \$5.25 million was earned and awarded in merit scholarships and grants to the members of our Class of 2020. Over the past 11 years, our graduating seniors have earned more than \$70 million in support for their own higher, advanced education. Your support of their Charger experience helped make that reality possible!

The start of our 60th Anniversary year was filled with great promise and energy. I know that you will take great pride in our many successes, highlighted in our Annual Report, that our students experienced. I know that you are also aware of the current climate in which we find ourselves as we navigate the unprecedented times surrounding the coronavirus pandemic. The uncertainty that remains can, at times, be unsettling, but the perseverance, strength, and unwavering faith in God continues to motivate our Charger community. I am so proud of our entire community.

Despite the challenges presented last March, with the emergence of Covid-19, the St. Joseph High School alumni and friends have continued to support our mission, noted by **\$1,220,043** in fundraising activities. That is a new benchmark!

Our school leadership, faculty and staff continue to keep the bar set high as we have begun our 61st school year, using a hybrid model of both in-person and eLearning education. As we look ahead, we challenge ourselves to examine strategies to grow our school programs and services as well as advance our Lasallian and Catholic mission of education.

Some strategies that we have implemented to ensure our prosperous growth include:

- The detailed inception and application of a Mission and Vision 3-5 Year Business Plan. This plan outlines specific areas in which St. Joseph High School is committed to be a leader among Lasallian high schools and other high schools in and around the southwestern suburbs. We invite you to visit the school's homepage (www.stjoeshs.org) to view the entire plan.
- The implementation of a dedicated recruitment committee. In addition, we've welcomed Marlon London '98 as the head of recruiting to work alongside Vice-Principal and Director of Admissions Tricia McGleam with the intention of growing the freshman class.

Please know that I sincerely appreciate your sustaining support of St. Joseph High School. I am humbled by your expressions of support during this last year, and I invite you to renew your own gift of support going forward. Your efforts make a real, tangible difference in the lives of each of our Charger Scholars!

St. John Baptist de LaSalle – Pray for us.

St. Joseph – Pray for us.

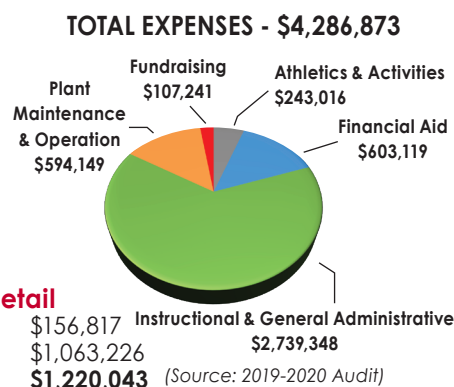

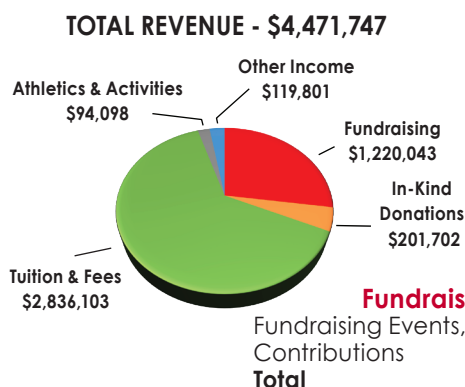

Live Jesus in our Hearts - Forever.

Gratefully,

David L. Hotek
David Hotek, AFSC

(Fiscal year operates from July 1, 2019 – June 30, 2020)

2019–2020 Highlights

VILLAGE OF WESTCHESTER 4TH OF JULY PARADE

The St. Joseph High School Chargers, alumni, parents, faculty, and staff participated, in person or in spirit, to spread our love for the Westchester community, our school and our **Legendary Coach Gene Pingatore** in the Village of Westchester 4th of July Parade. (Thank you to Sinnott Tree Service for donating their time and use of their crane for the parade!)

KAMRON BROWN '22

and his team (Team BACK) were first place winners in the ComEdCreate a Spark HFS Chicago Scholars program. The other members of Kam's team include students from De La Salle Institute and St. Patrick High School, both Lasallian schools. All of these young men were interviewed and featured on ABC7 Eyewitness News on Sunday, July 7, 2019 for their innovative idea.

AUGUST

43rd Annual SJHS Alumni & Friends Golf Outing - August 2, 2019

Over 130 alumni and friends joined us for golf at Bloomingdale Golf Club. It was a fifth consecutive year of no rain (thanks, Gene!), fun golf (most of the time) and a beautiful display of camaraderie and friendship that would have made Gene smile with pride.

Special thank you to Alumni Association President **Tom Hayes III '76**, for his speech and toast to our dear friend, Coach Ping & to our **anonymous donor** for donating all of the keepsake wine glasses.

Low Gross Winners

They did it again...(pictured left to right): Bob Rader '83, Bob Fezzuoglio '84, Steve Trench '83, & Jim Kolz '84

Low Net Winners

Steven Lee '87 (left) & Pat Burke '87 (right).
Not pictured Steven Burke '84.

A special thank you to our 2019 Golf Committee:

Dan Breen '72, Pat Burke '87, Jim Conley '74, Pat Conley '71, John Christopher '83, Ron Czajka '66, Mike Gamauf '88, Tom Hayes '76, Randy Hribal '86, Jim Izzi '72, Jason Jacobs '93, Mark Kelly '84, Joe Tortorich '99.

Bill Riley named head basketball coach. Bill was the assistant varsity basketball coach at St. Joes for 34 seasons alongside Coach Gene Pingatore before his sudden passing on June 26, 2019.

"I consider it an incredible honor to follow in the footsteps of Coach "Ping" Pingatore as the next head coach," said Riley. "Coach Ping's lifelong accomplishments reached far beyond basketball. He was an educator of men and a loyal friend to many. He touched countless lives on and off the court for more than sixty years. I look forward to the significant responsibility of leading the next generation of Chargers and continuing to develop young men into student-athletes as they mature into adults. Our entire staff is committed to making "Ping" proud and honoring his great career."

Riley served the school as head coach of the sophomore team for 21 seasons, winning 5 conference championships while compiling an overall record of 250–135. Along the side of Coach Pingatore, Riley helped coach the St. Joseph Chargers to two state championships (1999 & 2015), 21 conference championships, 24 state regional titles, and 7 state sectional titles. He also served as bench coach for the 2011 McDonald's All-American games in Chicago.

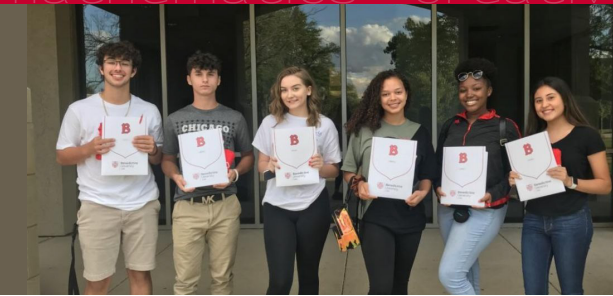

Tony Quattrochi named new director of alumni relations. Tony has now been in education for 42 years, 39 have been in Westchester serving the Chargers.

"Know that you are always welcome back home at St. Joes. We want to hear your story. Your reflections. Your experiences. Any suggestions or concerns you may have. We're listening. I'm just an email, phone call, or even better...a visit away." - Tony Quattrochi, tquattrochi@stjoeshs.org 708.562.4433, ext. 119.

Bob Bogacki '72 named new varsity softball coach.
"Softball is a great game and student-athletes should be taught to have fun as they learn, practice, and play. I believe if I teach my players the correct fundamentals and treat them with respect, they will be winners. If you take time and look at the spelling of fundamentals, the first word you see is FUN. That is how I coach and I have been successful at it."

2019–2020 Highlights

St. Joseph High School partnered with Benedictine University in Lisle for a Dual Credit/Enrollment program. These senior Chargers took two undergraduate level courses, an astronomy class and an American History class, to earn six college credits total.

(Pictured left to right) Lucas Hanson, David Galandak, Amanda Simpson, Kayla Johnston, Trinity Knox & Jordan Mendoza (Not pictured: Taylor Griggs and Jazlyn Harper).

Students, their families, faculty and staff gathered for the **Charger Family Picnic Birthday Bash** on **August 24, 2019**. Activities included face painting, popcorn, snow cones, cotton candy, games, prizes, great food and even greater company as we kicked off our 60th year.

SEPTEMBER

Jimmy Milas '22, planted a **Cancer Tree** on campus as part of his application for Eagle Scout on September 5, 2019. The tree was blessed by Father Tom Unz, a friend of the Milas family. The Charger community is invited to place a ribbon in memory of those with cancer on the tree.

Jimmy is a legacy student at St. Joes. Jimmy's father, John '84, and brother, Johnny '17, are both alumni of St. Joseph High School.

St. Joseph High School faculty and students joined other members of the Westchester community to greet the arrival of the **Moving Wall** – a representation of the Vietnam War Memorial in Washington D.C. We salute those who served in the military, and remember with special gratitude those who gave their lives for our country.

The **Pep Band** returned to St. Joes this year in the form of a small but talented group of instrumentalists. Performing at pep rallies, basketball games and musicals, the band looks to add to its numbers next year.

OCTOBER

Awards & Traditions On October 10, 2019, at the *Investor Appreciation Event*, members of the SJHS community were recognized as recipients of the Circle of Honor Award, St. Joseph the Worker Award, and the St. Joseph Family Award.

The **Circle of Honor Award** was instituted by the administration of St. Joseph High School in 1986 to honor those graduates of St. Joseph who have, over the years, distinguished themselves as involved, generous and faithful alumni.

Awardees are pictured with *Dr. Ronald Hoover, former SJHS president/principal (left) and Tony Quattrochi, director of alumni relations (right)*.

The **St. Joseph The Worker Award** was established in 1991 by the Alumni Association of St. Joseph High School to honor those graduates who have distinguished themselves in business, the arts, science, community service or any area that reflects the motto of the school, *Vincit Qui Laborat*, translated *He conquers, Who labors*.

Christian Mitchell '04

2019–2020 Highlights

On October 30, 2019, the Gene Pingatore Counseling Center was dedicated by **Paul Remack '67** and his wife, Linda Theuriet.

After the dedication, Paul spoke before a group of alumni, faculty, parents and students on the topic of Impact Investing.

"Most people give to non-profit organizations that appeal to them through mailings or company-designated charities. That's all well and good. Sometimes, however, you are not fully aware of how that money is being spent. When you give to St. Joseph High School, you know the result of your investment. I saw it before me when I met students at the school. I was very impressed with them and the work that the Christian Brothers and their colleagues are doing."

Remack, whose book, *Playing the Game*, focuses on ensuring financial security for families, also made a significant donation to the school and, in turn, the school was pleased to rename the counseling center in his honor. Remack chose to have the center renamed the Gene Pingatore Counseling Center. "I am well aware of the impact Coach Pingatore has had on the history of St. Joes," Remack said.

Paul now serves on the board of directors at St. Joseph High School

NOVEMBER

Junior Class Ring Ceremony – November 14, 2019

These experiences are made possible by your continued generosity to the students of St. Joseph High School.

Future Business Leaders of America (FBLA) is a club for students interested in pursuing studies or careers in business or simply want to learn more about the many diverse aspects of the business world.

2019-2020 FBLA GUEST SPEAKERS

Nick LoMaglio (UBS investment management professional) was a frequent visitor and speaker at St. Joseph. He spoke on the stock market, strategies for success in the workplace and careers in finance.

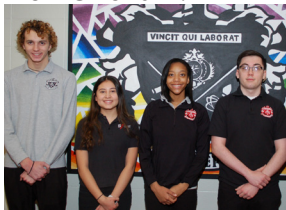

Patrick Marschall (successful finance and accounting professional in healthcare and public accounting) spoke about finance careers and success factors for college and career.

DECEMBER

Illinois State Scholars

Illinois state scholars are selected, in part, on the criteria of class placement and by finishing in the top 95 percentile on the ACT or SAT.

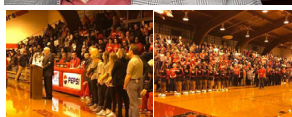

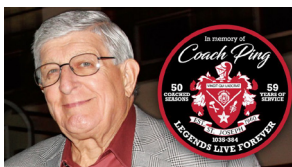

(Pictured left to right) **Anthony Calabrese** (Westchester), **Jordan Mendoza** (Chicago), **Taylor Griggs** (Westchester), **Anthony Capua** (Berwyn). Missing: **Kayla Johnston** (Westchester).

Jimmy Milas '22 (left) and **Dan Kalish '20** (right), both received **The Sheriff's Office Commitment to Service Award** for their more than 100 hours of service in a calendar year.

PACK IT FOR PING – December 6, 2019

Coach Gene Pingatore. Coach "Ping" was remembered in prayer before the game by Head Boys Basketball Coach, Bill Riley. St. Joseph High School unveiled a banner with Coach Pingatore's name and the number 1035, to represent the number of varsity wins under the legendary coach.

A special thank you to **Vince Bertuca '95, Paramount Restoration Group, Inc.** and **Jim Lenc '78, Richmond Electric** for the incredible contributions they made to our facility! Ping would have been honored and proud.

Fall Play

The Chargers produced two Jonathan Rand one-act plays for their fall production, **"Check, please!"** and **"Hard Candy."**

"I was looking for a play whose humor could be enjoyed and appreciated by both teenagers and adults. I think we accomplished that in both Rand plays."

- Victor Smith, play's director

Student Council members and Vice-Principal Tricia McGleam organized *12 Days of Christmas* that included fun and memorable festivities.

JANUARY

* per the Mission, Vision, and Planning Document, surpluses will be used to pay down debt. For a copy of the mission, vision and planning documents, please visit www.stjoeshs.org

2019–2020 Highlights

JANUARY

Sports Hall of Fame Induction – January 31, 2020

The **St. Joseph High School Sports Hall of Fame** honored these student-athletes whose successes in and out of the classroom are recognized by their classmates.

Congratulations to the 2020 inductees (pictured left to right): **Ryan Paveza '95** (Soccer), **Danny Galvez '95** (Soccer), **Michael Baranksi '95** (Soccer), **Jason Jacobs '93** (Hockey), **William Hesslau '81** (Coach - Football), **Quentin Williams '87** (Football), **Craig Lottie '87** (Football), and **John Salka '93** (Baseball).

FEBRUARY

The Ambassadors Club, moderated by history teacher, **Mr. Victor Zitzer '72**, represents St. Joseph High School and the emblematic Lasallian tradition of our school culture. Ambassadors appear at school, within the community, and civic events before, during, and after school. Some examples are welcoming and assisting visitors to alumni and friends events, such as: Alumni Recognition Night, dedication ceremonies, Sports Hall of Fame induction ceremony, alumni banquet, and school fundraisers. In addition, this organization has assisted the Westchester Food Pantry and helped judge the Divine Providence History Fair, which took place in February.

MARCH

Cardinal Cupich Celebrates 60 & Beyond Anniversary Mass – March 2, 2020

Cardinal Blase Joseph Cupich celebrated Mass at St. Joseph High School as the school commemorated its 60 years of serving students in the western suburbs.

The Cardinal's homily really hit home for many. The Charger community was in awe of the Cardinal's ability to make them feel comfortable and how well he knew and strongly embraces the mission at St. Joseph High School.

Thank you to everyone who made this day possible. A special thank you to **Bruce Sirus '69** and the incredible people at **Production Plus** for making the gym look so incredible.

Changes in the administrative model included the appointment of the following St. Joseph High School personnel:

David L. Hotek, AFSC appointed by the Christian Brothers as the principal and chief administrator. Dave has spent more the 48 years at St. Joseph High School, most recently as director of campus ministry and

the Lasallian animator for the past seventeen years. From 1972 to 2003, he also served as a member of the faculty, assistant principal, and principal. His Lasallian background and long tenure provides stability as St. Joseph High School moves to expand its mission.

John McAuliffe named executive director of finance and advancement. John has served as director of finance

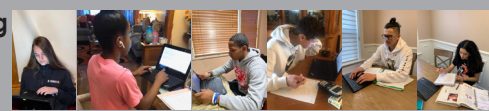

and as a member of the faculty since arriving at St. Joes in 2014. John now brings his incredible skill set to the Advancement team as he guides the school well into the future.

Bob Stapleton '70 named new director of development. Bob is a proud member of the St. Joseph High School graduating class of 1970 and St. Mary's University, Winona, MN. Bob served on St. Mary's alumni board from 2015 to 2017 and has served in leadership roles on various committees at St. Joseph HS, including the recent Brothers Challenge. Bob brings a wealth of business experience, including 3M, vice-president Emerging Technologies SAC Wireless, and, most recently, CEO National Wireless Ventures II, LLC. You can contact Bob at 708-562-4433, ext. 153 / bob.stapleton@stjoeshs.org

Coronavirus pandemic forced system wide closures. Effective March 16, 2020, eLearning was implemented and came naturally to the Chargers.

The resilience of our students, faculty, and staff was inspiring.

The Virtual Spirit Week helped keep the Charger spirit high. The special week included themed days: Pajama Day, Sports Day, Wacky Wednesday, Throwback Thursday, and even a Virtual Talent Show. Olivia Checchi '20 won by singing an original song, "Corona, Please Give Me Back My Senior Year". The community interacted by sharing photos and videos online and through social media.

APRIL

The St. Joes Book Club read and discussed classic (and sometimes recent) books! Together, they choose a book, read about 100 pages a week, and meet every Wednesday after school for discussion. The Chargers did find more time to read once school shut down mid-March.

Books read this school year: **Lord of the Flies** by William Golding, **Animal Farm** by George Orwell, **Frankenstein** by Mary Shelley, **The Road** by Cormac McCarthy, **Franny and Zooey** by J.D. Salinger, **Six of Crows** by Leigh Bardugo, and **The Handmaid's Tale** by Margaret Atwood.

2019–2020 Highlights

for the essential workers during the coronavirus pandemic.

Joshua Sheridan '20 produced artwork that caught the attention of the local Walgreen's (Wolf & Cermak Rd.) manager. This beautiful artwork was put on display giving credit to Josh and serving as a source of inspiration

Virtual Career Day

The full eLearning experience did not allow for a traditional career day, but instead we asked alumni, parents, and friends to submit videos to our Career Readiness Library that are housed on our website, www.stjoeshs.org, for future reference. Thank you to the following alumni for taking the time to submit a video!

MAY

Nancy Boros, administrative assistant for educational technology, was the recipient of the **2020 Distinguished Lasallian Educator of the Year Award**. Nancy has been part of the Charger family for the past nine years.

Dionna Mantucca '13 & Frank Francia '13

had their wedding planned for Saturday, May 2nd, which was then cancelled due to COVID-19. After postponing the wedding indefinitely, they decided it was still important to them to honor their

original wedding date with a small ceremony that followed the social distancing guidelines. They thought the most meaningful place for them to hold this ceremony would be the place that they met - St. Joes.

Congratulations, Mr. & Mrs. Francia!

Mary Kate Trausch, St. Joseph High School chemistry teacher, made an appearance on "Jeopardy!" for the Teacher's Tournament! Trausch did not walk away as champion when the show aired on May 28, though she was the only contestant to correctly answer Final Jeopardy.

JUNE

The Class of 2020 had a strange ending to their high school experience. Mrs. Tricia McGleam, vice principal, and Ms. Nancy Boros traveled around the Chicagoland area making special deliveries of lawn signs in an effort to bring a smile to the seniors' faces.

Five Core Principles of Lasallian Schools

Concern for the Poor and Social Justice

We are in solidarity with the poor and advocate for those suffering from injustices.

Faith in the Presence of God

We believe in the living presence of God in our students, our community and our world.

Quality Education

We engage in quality education together as students, staff and faculty by thinking critically and examining our world in light of faith.

Respect for all Persons

We honor and respect the dignity of all individuals.

Inclusive Community

We celebrate diversity and welcome all members of our community.

Thank you for supporting our mission!

St. Joseph High School
website at
www.stjoeshs.org.

rigorous curriculum • english • critical thinkers • challenging
mathematics • creative • physical education • supportive • pr
religion • college prep • fine arts • collaborative • history • tec
talented • studious • science • organized • foreign languages

Ways to Support SJHS

- **Give a gift** (online, mail, or phone) to the Annual Fund that supports Financial Aid and Scholarships for the Charger Scholars. Big or small, every gift counts, and goes to support the education and development of future St. Joseph High School Alumni.

Online

www.stjoeshs.org

Mail

St. Joseph High School • Attention: Development Office
10900 West Cermak Road • Westchester, IL 60154

Phone

708.562.4433

- **Naming Opportunities, Sponsorship Gifts, and Charger Nation** The St. Joseph High School Advancement staff has created a series of named gifts, sponsorship opportunities, and a giving club to recognize leadership gifts that help to support the school in a number of significant ways. Please visit www.stjoeshs.org to learn more.

- **PUBLICLY TRADED SECURITIES/STOCK TRANSFER** Many donors prefer to make gifts of appreciated stocks, bonds, mutual funds, or exchange-traded funds. These gifts can be a very tax-efficient way to donate to St. Joseph High School. If you are itemizing deductions on your tax return, you may be eligible for a charitable deduction for the full value of your gift. Whether or not you itemize, donating appreciated assets can help you avoid paying tax on capital gains. Always discuss donations with your tax consultant to maximize your benefits. Please contact Director of Development Bob Stapleton (708-562-4433, ext. 153 / bob.stapleton@stjoeshs.org) to facilitate this type of donation.

- **Donor Advised Funds** St. Joseph can accept gifts from Donor Advised Funds.

- **Required Minimum Distribution (RMD)** for IRAs (except Roth IRAs), you must begin taking withdrawals by April 1 following the year you turn age 72 if you reach 70½ in 2020, whether or not you're still working. After that, you'll need to continue withdrawing a portion of your retirement plan and IRA account balance each year. Transferring your RMD to St. Joseph High School will reduce your adjusted gross income, thus reducing your income tax. Always consult your tax advisor.

- **Remember St. Joseph High School in your will** please call Director of Development Bob Stapleton if you would like to remember St. Joseph High School in your will.

- **IL Tax Credit Information** Invest in Kids provides income tax credits to those who contribute money to an approved Scholarship Granting Organization (SGO). Donors may receive a credit for Illinois state tax equal to 75% of the donation to the SGO. You can designate your donation to go to St. Joseph High School. Please contact Executive Director of Finance & Advancement John McAuliffe (708-562-4433, ext. 166 / jmcauliffe@stjoeshs.org) for more information.

- **Keep St. Joseph High School in your prayers.**

Thank you for considering St. Joseph High School for your charitable giving!

GO CHARGERS!
