

Explore Chicago universities at the City of Big Shoulders College Fair.

Chicago is more than just the land of skyscrapers and theatre, the Bulls, Bears and Blackhawks, deep-dish pizza and Chicago-style hot dogs. It's home to several of America's finest institutions of higher education, and we'd like to invite you to meet four different universities situated in the heart of the city.

Join the **Illinois Institute of Technology**, **DePaul University**, **University of Chicago** and **University of Illinois-Chicago** for this exciting event featuring what it's like to live, learn, and grow in the city of Chicago. You'll hear from current students from each institution about how they've navigated their college experiences in the following panel discussions:

- First-Year Experience
- Study Abroad
- Career Outcomes and Hands-On Learning
- Arts at the Institution
- Student Engagement and Services
- Research

Attendees will be able to speak with admission counselors following the panels. Don't miss this unique opportunity to learn more about studying at some of Chicago's finest universities!

This is an online event open to prospective undergraduate students and counselors.

City of Big Shoulders College Fair: Exploring Chicago Universities

Thursday, July 16, 2020
5 – 7:30 p.m. CDT
