Dear St. Joseph HS Family,

I am pleased to inform you that St. Joseph High School has launched a Queen of Hearts Raffle.

The Queen of Hearts Raffle has proven to be successful for a number of nonprofit organizations, including private schools. One of our own Lasallian schools, St. Patrick High School in Chicago, is also running a Queen of Hearts Raffle. You may be aware that this same raffle generated several million dollars for the VFW in McHenry, Illinois.

This raffle is a traditional 50-50 raffle, such that the purchaser of the winning ticket earns 50% of the jackpot while St. Joseph High School retains the remaining 50%.

With tickets at a cost of \$1 each, we hope that many members of the St. Joseph HS community will participate on a regular basis. Tickets will be sold at many SJHS events as well as at the school and at Eden Lanes in Westchester, which is joining us in this major effort.

The first drawing is at SJHS on Wednesday, December 12th, at 4 p.m. with additional drawings every Wednesday at the school at 4 p.m. (unless it is a holiday).

The success of this raffle is based on the probability of the Queen of Hearts being drawn from a deck of cards each week. There is one drawing per week and if the Queen of Hearts is not chosen as indicated by a number on the raffle ticket, the jackpot rolls over into the following week while new tickets are being purchased.

To learn more about the Queen of Hearts Raffle, please go to the St. Joseph High School website or ask a member of the SJHS staff.

Thank you for your support of this major effort on behalf of the Chargers!

Gratefully,

Anthony Quattrochi
Advancement Staff and Queen of Hearts Coordinator
