Dear St. Joseph High School Community,

On behalf of the Christian Brothers and the Board of Directors, we want to take this opportunity to apprise you of recent actions that have been implemented.

- Brother Larry Schatz, Visitor/Provincial of the Christian Brothers, has granted Brother Thomas Harding, President, a well-deserved sabbatical at the end of the current academic year. Brother Thomas embraced the challenges present at his alma mater and was a true presence of the Brothers and the Lasallian mission. He lived and practiced his vocation of providing an education to those in need. We are grateful and thankful for Brother Thomas' leadership!
- Dr. Ronald Hoover, Principal, will assume overall leadership of the school effective July 1, 2019. Together with a core group of faculty, Dr. Hoover is developing a revision to the curriculum that will be implemented in the next academic year. This is an exciting opportunity as the Charger community prepares for its celebration of providing sixty years of Lasallian education.
- The Christian Brothers have agreed to provide additional financial support to the school, bringing their total contribution to almost \$2,000,000 over the last four years.

The Christian Brothers and the Board of Directors remain committed to the mission of educating the students of St. Joseph High School. We look forward to working with Dr. Hoover, faculty, staff, students, parents, and alumni, in securing this mission while making every effort to address the very real challenges relating to demographics, enrollment, finances, and advancement.

Sincerely,

Brother James Gaffney, FSC
Board Chair

Scott Kier, Ed.D.
Superintendent of Lasallian Education
