

St. Joseph

High School

Fall 2019

Candles are often used to celebrate or commemorate a significant experience. Think of birthdays, anniversaries, weddings, and funerals. One of the Church's earliest traditions is to use candles as part of offering our prayers to God. The Sanctuary Candle is the red candle in our chapel which represents the presence of the Holy Eucharist.

St. Joseph High School invites you to participate in our Sanctuary Lamp Prayer Program for the 2019 – 2020 school year as we celebrate our 60th year serving young people.

Part of our mission is to make affordable to our families the St. Joseph High School experience. With the Sanctuary Lamp Program, we hope to be able to have more students participate in Kairos, an optional retreat for our seniors, and one whose power has affected the lives of many of its participants.

By participating in our Sanctuary Lamp Prayer Program, prayers will be said daily by myself and my students as we remember your intentions.

Please consider this opportunity.
Thank you!
